Dear Patient:

Enloe Medical Center is committed to providing financial assistance to patients without health insurance and to insured patients with high medical costs, to pay for medically necessary care. However, we understand that healthcare services should not represent a catastrophic burden to insured patients and families with high medical costs.

You have indicated that it is a financial hardship for you to pay for the services you recently received at Enloe Medical Center. Financial assistance is limited and in order to determine who qualifies, it is our policy to evaluate your income in comparison with federal income guidelines. If you have health insurance, we apply additional criteria that determine if you are eligible for full or partial financial assistance due to high medical expenses. To complete our evaluation, we require that you submit the attached application and return it with the following items.

Required **documentation**:

1. Complete **both sides** of the Confidential Financial Statement (attached)
2. Include a copy of any denial letters/statements from the Medi-Cal or CMSP program (if applicable)
3. Include a copy of your last bank statement, checking and savings, all pages.
4. If you have money market accounts, stocks or income properties other than your primary residence, we will need to see a statement of each account.
   Please note: *Qualified retirement plans are not included when we calculate income.*
5. If employed, please include a copy of the last two pay stubs for each family member.
6. If employment is intermittent, please include a copy of last year's tax return instead of pay stubs.
7. If you are not currently employed, please include proof of unemployment insurance, state disability or Social Security.
8. Please include a letter explaining your financial situation and why you are unable to pay your bill. Your personal letter helps us understand your situation and why financial assistance is needed.

Note: If you are unable to provide any requested information, please explain why in the letter of hardship. If you have any questions about what is required, please contact your customer service representative.

All documentation must be **received within two weeks** of the date of this letter or your application could expire. We will process complete applications within two weeks of receipt and will notify you of our decision.

Respectfully,

Patient Financial Services
